Nurse Practitioner Kamloops, British Columbia Permanent Part Time (0.50 FTE)

This position offers a focus with Inpatient Older Adults and a practice working collaboratively with Physician Hospitalists at Royal Inland Hospital. The population of focus will be the older adult patients with sub - acute and complex chronic care needs being admitted to the Hospitalist Program. A high level of autonomy is expected along with collaboration, consultation and referrals to physicians and other members of the health care team.

As the Nurse Practitioner:

- Perform pertinent physical examinations and clinical evaluations;
- Manage clinical care and perform procedures;
- Order and review diagnostic studies;
- Order and monitor medications; and
- Participate in short-term and long-term planning of patient care.

How you will benefit as an IH NP:

- Competitive Wages
- Employer Paid Benefits Package
- Generous Vacation Entitlement
- Relocation Allowance for eligible new employees
- Eligibility to Port
- Compensated Time Off
- Municipal Pension Plan
- Department of NP's
- Annual Education Support

Make your career matter!

A Nurse Practitioner career with Interior Health supports people to live healthy at home and in their communities for as long as they can. Joining Interior Health as a NP means working and caring for your community in collaboration with other health professionals through an integrated care team approach.

We are seeking NPs with:

- Current Nurse Practitioner registration with the College of Registered Nurses of British Columbia (CRNBC).
- Successful completion of Objective Structured Clinical Examination (OSCE)
- Two years Nurse Practitioner clinical experience. Recent acute care experience is an asset.
- Strong general medicine/geriatric skills.
